MIRACLE RESTORATION!

I am a building construction worker. On Monday 13th July, I got to work only to receive a termination letter without any offense, and to make matters worse, I was sacked without payment. Since then, I have been going back and forth for the payment of my salary, but to no avail.

Earlier this month, *I met a brother, who invited me for Winners' Satellite Fellowship (WSF) and I came, tabled my issues before God and they prayed for me.* I keyed into the prophetic instruction by God's servant that said, "If God will engage you, no employer will reject you", so I started going out for the evening gospel raid to win souls for Christ.

After the evening raid of Tuesday 22nd September, the next day, the company called me to come immediately but I could not go that very day because it was late. On getting to the office on Thursday, to my greatest surprise, I was restored back by the company to my job, with a promotion to the level of a supervisor, I was also transferred to a bigger project. To crown it all, the company settled all my outstanding payments, including the two months in which I was out of work. I give God all the glory. ---*Anselm Louis N.*

17-YEAR BARRENNESS TERMINATED!

"For 17 years, I believed God for the fruit of the womb. When I relocated house, *I saw some members of this Church who attended Winners' Satellite Fellowship (WSF) in my neighbour's house. So, I asked one of them if they could interpret to me in my local language. He said, 'Yes, so I joined them.* Later, when I came to church, the Bishop called for those who wanted to give their lives to Christ, and I stood up. After the Bishop prayed for us, I felt a heavy load fall off my body.

Furthermore, I attended one of the *Miracle Babies' Service* and brought baby items along as instructed. After that service, I believed I was pregnant. Thereafter, my menstrual flow stopped and here is my baby nine months after. His name is David. Praise the Lord!" ---*Bola Aina*
